

Custom 2006 Yamaha Rhino

This is a custom built Rhino and completely tricked out with too many upgrades, but I will try list as many as I can. Purchased in late 2006, and only 220 miles and 25 hours of run time on the bike. Custom paint job including house of color paint and graphics (white and orange with silver) Custom wood grain faux bed Custom Stereo includes Panasonic Strata Radio/ DVD player, custom speaker pods for 6 1/2 separates, Amp rack w/painted matching amps, Speaker box in bed w/ 2 12's and painted speaker box (about \$4000 in parts alone in Stereo). Lots of Black Rhino accessories Custom billet steering wheel, billet gas cap, dash trim, bed trim, billet wheel spacers, headlight switch, steering column cover, exhaust kit, flame grill insert Optional Yamaha front bumper painted top match roll cage. Motorized tilt bed, Eldebrock carb (not yet installed) Clean title, ready to go. Not used much, so why pay for a new stockbike, when you can have this one that will blow you away ! ! ! Must Sell or trade for 4x4 3/4 ton diesel pickup
